To DEAR MADAM PAT

RE: TO THANK MADAM PAT FOR WORK WELL DONE:

As I am Agnes Nanyonga, a student at Tekera Vocational School.

I have written this letter to say thank you to dear Madam Pat who has been paying my school fees to see that I complete my course of tailoring at Tekera Vocational School.

I am very happy my dear even more than you think and I am sure that I will do better in my final exams than I did in my level one exams in 2017.

After my studies, I want to get a company where I can get a job of tailoring and after working there for some few years I want to start my own business after earning some little money when God wishes.

My mission is to help my little sister and brother, also to study and get better future life when they grow up.

I will be happy to hear that you received my letter.

Yours Sincerely,

~~AGNES~~
AGNES NANYONGA.

MAY THE LORD GOD GIVE YOU WHATEVER THING YOU WANT.

Thank you.
